**ANALYSIS OF PROPOSED UI LAW CHANGE**  
**Appropriations Revisions and Technical Corrections**

**1. Description of Proposed Change**

The Department receives federal funds to operate the unemployment insurance program. It also collects interest and penalties from employers and penalties from claimants. The amounts that the Department receives are appropriated under state law for certain purposes. State law previously provided that amounts related to the administration of the unemployment insurance program were to be deposited into the “Unemployment Administration Fund.” That fund was eliminated in 1985 Wisconsin Act 29 and the appropriations were transferred to the general fund. Chapter 108 was amended to repeal references to the Unemployment Administration Fund and to refer to the “Administrative Account.”<sup>1</sup> The Department proposes to eliminate the “Administrative Account” and clarify the unemployment insurance appropriations references in Chapter 108. This will ensure that funds are deposited correctly and that payments are made from the correct appropriation.

The Department proposes various technical corrections, including those described above, on the following pages. These changes are the same as the Department proposed in the 2019-2020 Council session.

Changes in LRB-3684/P1:

<b>Section</b>	<b>Change</b>	<b>Reason</b>
1 & 12	Create an appropriation for LIRC to receive transcript and copying fees.	Originally requested by LIRC in the 2015 State Budget process. Provides an appropriation for receiving fees currently collected by LIRC.
2	Clarifies location for deposit of assessment for program administration.	Department may assess employers an assessment to ensure funding for the UI program. This clarifies which appropriation would handle the funds.

3	Amendment to the appropriation that primarily receives employer interest and penalties to receive additional sources of funds.	Consolidates certain appropriations and clarifies language.
4	Repeals the appropriation in s. 20.445(1)(gg).	Repeals an appropriation that is no longer used, related to technology assessments.
5	Repeals the appropriation in s. 20.445(1)(gm).	Repeals an appropriation related to the employer handbook because those funds are redirected to the (gd) appropriation (employer interest and penalties).
6 & 31	Repeals SWIB authority to manage the unemployment administration fund.	The unemployment administration fund no longer exists, so this should have been repealed when the fund ceased to exist.
7 & 31	Repeal “administrative account.”	The “administrative account” replaced the unemployment administrative fund. State moneys are supposed to be handled by appropriations and funds, not accounts. This removes the references to the account in favor of citation to the specific appropriation for the moneys.
8, 9, 10, 11, 12, 13, 14, 16, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 32	Repeals references to the “administrative account” and replaces those references with the specific appropriation in s. 20.445(1).	This change ensures that the unemployment appropriations are drafted consistent with current State budget practices and removes ambiguity regarding the appropriate appropriation applicable to certain moneys.
15, 17, 18	Repeals and amends references regarding costs of printing certain materials.	Consolidates language regarding printing forms and handbooks. Replaces references to the “administrative account” with a specific appropriation for consistency. <i>See</i> Section 5.
30	Amends and moves statute regarding use of contributions for administrative purposes.	If federal law is changed to permit this purpose, the Department prefers the proposed language in Section 30. This statutory language has apparently not been updated since 1943.
33	Transfers funds to the appropriation in s. 20.445(1)(gd).	It is necessary to transfer any remaining funds in these appropriations, which are being repealed. <i>See</i> Sections 4 and 5.
