Objection Procedures:

This notice is not appealable. The Lost Wages Assistance (LWA) paid to you was an additional federal payment of \$300 per week added to the other unemployment benefit payments that you received. You are receiving this notice because you were found to have been overpaid unemployment benefits and you must also repay the overpaid LWA. The amount of the LWA overpayment on this notice was calculated based on the weeks you were found to have been overpaid unemployment benefits and received LWA. If you disagree with the decision that you were overpaid unemployment benefits, you must follow the appeal procedures shown on the related determination or the objection procedures shown on the related notice. If the time limit to appeal that decision has expired and you disagree with the calculation of the amount of the LWA overpayment shown on this notice, please call a claims specialist at 414-435-7069 or toll-free 844-910-3661 or dial 7-1-1 for Wisconsin Relay Service.
